

Healthy Aging Forum: A Focus on Brain Health

The forum is hosted by the South Carolina Healthy Brain Research Network and Network partners working to advance the public health research and translation agenda for cognitive health and healthy aging.

December 9, 2015

**University of South Carolina Thomas Cooper Library
The Ernest F. Hollings Special Collections Library, Program Room
9:30 a.m. – 2:00 p.m.**

Forum Objectives:

- 1) To **promote awareness** about cognitive health, cognitive impairment, and Alzheimer's disease
- 2) To **describe current research** related to physical activity, nutrition, and cognitive health
- 3) To foster **collaboration and networking** opportunities for researchers, students, and community

Featured Speakers from:

- Office of the Lieutenant Governor
- South Carolina Institute of Medicine and Public Health
- The Division of Geriatrics at Palmetto Health
- USC Office for the Study of Aging
- South Carolina Department of Health and Human Services
- Alzheimer's Association
- The FriendShip 501(c)3 Village
